## Download your travel documents onto your smartphone or tablet

---

The **Keshet Journeys** application allows you to download the following travel documents onto your smartphone or tablet free of charge:

- **Your travel itinerary**
- **Valuable background information**
- **Useful contacts**

...all of this directly at your fingertips!

The application works offline, so remember to download your digital travel-wallet prior to departure; this way you can enjoy it at any time, without needing an Internet connection.

### How to download your digital travel wallet?

- 1 Download the Keshet Journeys App from AppStore or GooglePlayStore
- 2 Complete the following fields:
  - Username: *(as provided by agent)*
  - Wallet number: *(as provided by agent)*
- 3 Click on 'Download'

Once the wallet has downloaded, no communication overheads are generated by the application as it does not need the internet in order to operate, even abroad.
